25X1A SUBJECT: Revision of Travel Section in [REDACTED] Admin Plans

25X1A9a

With reference to the proposed revision to [REDACTED] Admin Plans proposed by [REDACTED] in his memorandum of 15 March 1963, attached is his revision of his draft which I feel to be consistent with the policy objectives sought and somewhat more realistic in terms of what this particular project can live with. If you have any questions regarding the reasons for changes made, I will be happy to discuss them with you.
